EDUCATION

Alexandria University

B.Arch. Architectural Engineering

Sep 2008 – Jun 2014

PAST EXPERIENCE

3D Game Artist

2016 – 2019

EXPERIENCE

Microverse

Software Developer and Mentor

Jun 2019 – present

- Spent 2000+ hours mastering algorithms, data structures, and full-stack development while simultaneously developing projects in Ruby, Rails, JavaScript, React, and Redux.
- Developed skills in remote pair-programming, using Github, industry-standard git flows, and daily standups to communicate and collaborate with international remote developers.
- Mentored 2 students, with weekly check-in meetings.
- Contributed to the school's linter configuration public repository.

OPEN-SOURCE

Reactist

Feb 2020

Added name-spacing to prevent Reactist's CSS selectors from "leaking out" to user styling.

React-boilerplate-typescript

Feb 2020

Fixed auto-generated containers, to produce no linting issues.

PROJECTS

Single Stroke

Generative art web app

Apr 2020

- Designed, developed, and launched on Producthunt .
- Used by an average of 100 daily visitors.
